

EPISODE 1 - SONG

LE TOUR DE FRANCE

We're leaving now, we're off to France
Got some Euros from the bank
Chasing the Fantôme Cycliste
Three jumpers we must find at least

Before the race is over and done
Before Le Tour de France is won
You better wish us all Bonne Chance
We have got to save... Le Tour de France

O Le Tour de France (x3)

Let's practise our French

Quelle direction? What is the way?
Madame! L'addition. How much do I pay?
Nous sommes perdus. We are lost
Avez-vous vu le Fantôme Cycliste?

On cherche un homme étrange
He's very strange indeed
Avez-vous une chambre?
A room...to sleep...we need

Each cyclist rides a bike - it's called a vélo
The fastest wears a jumper, it's always yellow
They ride around France. You can't say it's easy
The race ends in Paris, up the Champs-Élysées

They cycle hard, they race in a team
Whoever wins the most points always wears green
If they're up the mountains and they race out of sight
They get to wear the jumper that is red and white
